

Southside Virginia Community College's Campus Hazing Transparency Report

There were no findings of responsibility for hazing violations between July 1, 2025, and December 1, 2025.

The purpose of the College Hazing Transparency Report is to summarize any findings of a hazing violation by recognized student organizations at the college. Hazing is defined in the [SVCC Code of Student Conduct Policy](#), and violations of hazing would be adjudicated as outlined in the Code of Student Conduct. This report is different and distinct from the [Annual Security Report](#), though statistical informal may overlap.

Report Requirements

The Stop Campus Hazing Act requires the college to publish a Campus Hazing Transparency Report. The report must include each incident involving a student organization for which a finding of responsibility is issued relating to a hazing violation, including:

- The name of such student organization;
- A general description of the violation that resulted in a finding of responsibility, including:
 - whether the violation involved the abuse or illegal use of alcohol or drugs,
 - the findings of the institution, and
 - any sanctions placed on the student organization by the institution, as applicable; and
- The dates on which:
 - The incident was alleged to have occurred
 - The investigation into the incident was initiated
 - The investigation ended with a finding that a hazing violation occurred, and
 - The institution provided notice to the student organization that the incident resulted in a hazing violation.
- The Campus Hazing Transparency report cannot include personally identifiable information.

Prevention

Hazing prevention resources are available on the [Hazing Webpage](#).

Timeline

Any finding of responsibility published in this report will be publicly maintained for 10 years in compliance with [Virginia's Adam's Law](#). This report will be updated at least 10 days prior to the start of the fall or spring academic semesters.
